Title: Notice of Public Observation Meeting with the Nuclear Energy Institute Regulatory Issues Task Force

Date(s) and Time(s): November 28, 2023, 01:00 PM to 04:30 PM ET

Location: Webinar, OWFN-6B02

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of the meeting is for the representatives of the Nuclear Energy Institute (NEI) Regulatory Issues Task Force (RITF) and U. S. Nuclear Regulatory Commission (NRC) to discuss several regulatory issues regarding licensing processes, oversight processes, and other issues. The meeting will be conducted in a hybrid format (i.e., in-person, online, and teleconference).

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please contact Anne Silk, NRC Reasonable Accommodations Coordinator, at Anne.Silk@nrc.gov or call directly at 301-287-0745. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Ten (10) days' advance notice is requested to try to ensure availability; however, every effort will be made to address a request for reasonable accommodations with less notice.
